APPLICATION FOR COPF PLANT REGISTRATION

R

The undersigned hereby applies to register the following cultivar with COPF
(Please note, the numbered items are required information)

1. Scientific name (genus + species) _____

2. Cultivar name or denomination _____ Trademark _____ ® or ™ ?

A new plant cultivar, whether it is protected legally or not, should ordinarily be given a name that the trade and the public can use in identifying it. The proper method for establishing a cultivar name is to use the International Code of Nomenclature of Cultivar Plants, 1995 Edition, publish the new name in a trade journal, magazine, research journal, catalogue, or similar publication, and register it with the appropriate International Registration Authority. International Registration Authority addresses can be found on the web site: <http://www.ishs.org/sci/icra.htm>

Other names _____

3. Description:

Plant type (circle one) annual flowering pot plant cut flower perennial shrub tree

Height: _____ Width : _____ Flower including color:

Foliage including color: _____ Chromosome data: _____ Hardiness zone: _____

4. Preferred method(s) of propagation: _____

5. How to grow: _____

6. Selling features: (this information will be used in our newsletter to promote your plant.)

7. Is the plant available for propagation? (Circle one)

YES - If you want all members to be entitled to propagate Starting when?

NO - If you want no members to propagate. In this case, there will be a \$50 annual renewal fee, because we do not receive our usual 12%-15% of royalties when there is no propagation allowed. COPF registration does not confer propagation or distribution rights to COPF or its members. Restrictions on propagation in Canada cannot be enforced legally unless the plant has Canadian Plant Breeders' Right.

YES with limits - If you want to limit the number of growers who are entitled to propagate this plant. Call the COPF Managing Director to discuss licensing.

8. Is a license required for a grower to propagate? YES NO

9. Have you licensed anyone already? YES NO If yes, whom? _____

If no, please list a source for plants:

10. Where, when, and by whom was the plant tested and evaluated? _____

11. Parentage: _____

✓12. Canadian Plant breeders Right applied for? YES NO When? _____
 ✓13. U.S. Plant Patent applied for? YES NO Date: _____ Number: _____
 ✓14. Plant Breeders Right in other countries? YES NO Which ones? _____ Date: _____

15. Earliest date of introduction and/or distribution in Canada: _____
 * We do not accept registration of plants introduced or distributed earlier than January 1 of the year previous to your application date.
 If not yet introduced, when will plants be available for distribution in Canada? _____

✓16. **Royalty Rate:** _____ Currency Type: Canadian US other: _____
 17. Originator: _____
 Address: _____ Phone: _____

It is required, if the originator is different from assignee, to provide a letter from the originator giving the assignee the right to accept royalties on his or her behalf. The registration will not be processed until we have proper authorization.

18. Assignee (The one who will receive royalties. Must be COPF breeder-member. Call COPF office to get the forms to join.)
 Company: _____
 Address: _____
 Registered by (if different from #18): _____

FEES

\$52.50 (\$50.00 + \$2.50 GST) or \$50.00 US – for plants with PBR, patent or trademark
\$157.50 (\$150.00 + \$7.50 GST) \$150.00 US – for plants no PBR, patent or trademark

Fee must accompany application
 Also, for woody plants and perennials, a high quality **slide, photograph or digitized picture** of the plant is required.

By signing this plant registration form and supplying photography, the right to one time use on the COPF web site and in the COPF News is granted by the applicant.
